

Dear Researchers,

**The American Society of Mechanical Engineers (ASME)** [ASME Digital library](#), which we think can assist you in your studies is now accessible for trial in your institution.

**The American Society of Mechanical Engineers (ASME)** [www.asme.org](http://www.asme.org), which was founded in 1880, is the first professional organisation uniting more than 127,000 mechanical engineers worldwide.

Founders of the Society are the leading inventors of 19<sup>th</sup> century. Among its most important interests are raising standards to increase reliability and durability of mechanical production and machinery design.

In time ASME developed standards for various technical areas and industries. Among these are pipeline production, elevators and escalators, materials engineering, gas turbines and nuclear energy.

ASME Digital Library, is the main source of information gathering the **28 journals** of the society.

We hope that [28 international peer-reviewed journals](#) and [conference proceedings](#) about Mechanical Engineering and related areas will contribute to your studies.

- **Journal Archives** starting from 1970
  - **Conference Proceedings accesible from 2008**
  - Unique Content
  - More than **82.000** full access **articles**
  - **Unlimited access** guarantee (even when the subscription is ceased)
1. [Applied Mechanics Reviews](#)
  2. [ASCE-ASME Journal of Risk and Uncertainty in Engineering Systems, Part B: Mechanical Engineering](#)
  3. [Journal of Applied Mechanics](#)
  4. [Journal of Biomechanical Engineering](#)
  5. [Journal of Computational and Nonlinear Dynamics](#)
  6. [Journal of Computing and Information Science in Engineering](#)
  7. [Journal of Dynamic Systems, Measurement, and Control](#)
  8. [Journal of Electronic Packaging](#)
  9. [Journal of Energy Resources Technology](#)
  10. [Journal of Engineering for Gas Turbines and Power](#)
  11. [Journal of Engineering Materials and Technology](#)
  12. [Journal of Fluids Engineering](#)
  13. [Journal of Fuel Cell Science and Technology](#)
  14. [Journal of Heat Transfer](#)
  15. [Journal of Manufacturing Science and Engineering](#)
  16. [Journal of Mechanical Design](#)
  17. [Journal of Mechanisms and Robotics](#)

18. [Journal of Medical Devices](#)
19. [Journal of Micro and Nano-Manufacturing](#)
20. [Journal of Nanotechnology in Engineering and Medicine](#)
21. [Journal of Nuclear Engineering and Radiation Science](#)
22. [Journal of Offshore Mechanics and Arctic Engineering](#)
23. [Journal of Pressure Vessel Technology](#)
24. [Journal of Solar Energy Engineering](#)
25. [Journal of Thermal Science and Engineering Applications](#)
26. [Journal of Tribology](#)
27. [Journal of Turbomachinery](#)
28. [Journal of Vibration and Acoustics](#)

You can reach your institutions library for questions of all kinds.

We wish you success in your valuable studies.

Regards,  
ASME Publishing
